Christian F Vahl 45.52

Prof. Dr.
Director
Johannes Gutenberg-Universität Mainz - Department of Cardiothoracic and Vascular and Endovascular Surgery

45.52
RG Score

A new way to measure scientific reputation.
The RG Score takes all your research and turns it into a source of reputation.

PERCENTILE
Christian Vahl's score is higher than 97.5% of ResearchGate members!

How does the RG Score work?
Your RG Score is calculated based on the publications in your profile and how other researchers interact with your content on ResearchGate.
