Internationales
Glaukomsymposium

Glaucoma from A (Applanation) to Z (Zonules)
Glaukom von A (Applanation) bis Z (Zonula)

Dear colleagues,

It is a great pleasure to invite you cordially to the
International Glaucoma Symposium in Mainz.

We have prepared a to class scientific programme
including interactive workshops on HRT, GDX and visual
field. National and international glaucoma specialists and
basic researchers will share new ideas in glaucoma
diagnostics, new tonometry devices, pharmacology, angle
closure glaucoma and congenital glaucoma.
Last but not least you will learn new mechanisms in
glaucoma pathogenesis and immunomodulation in
glaucoma.

We are proud to have you here and are looking forward to
having a great meeting here in the wine region, Rhineland
Palatinate.

Prof. Dr. Norbert Pfeiffer
Kliniksdirektor/Head of
Department

PD Dr. Esther Hoffmann
Leitung
