

33rd Reunion of Arbeitskreis *ALTE MEDIZIN*

Dear Colleagues and Friends of Alte Medizin,

we will meet again on

Saturday and Sunday, July 6 and 7, 2013

as usual on the premises of Institut für Geschichte, Theorie und Ethik der Medizin der Universität Mainz, Am Pulverturm 13, in the basement. Depending on the number of papers we will schedule a first session for Saturday afternoon. In any case, we will meet for dinner as usual in the evening of Saturday, July 6, around 7 p.m. Lectures will continue on Sunday morning from 9.30 onwards until the early afternoon, with a break for lunch in a nearby restaurant.

Please send us your proposals for papers at your earliest convenience. They must in any case reach either of us

no later than February 14, 2013.

With the provisional title of your paper, we ask you to include a summary that allows us to comprehend the topic you wish to discuss as well as some expected results of your study. If we have not met you before in person, will you also please include information about your current academic status, a cv and, if applicable, a list of publications. Papers usually last for 20 minutes and are followed by 10 minutes' discussion, but papers of different duration can easily be accommodated as long as you let us know in good time. We would also like to ask you

for early information about any media you may wish to make use of.

The final programme will be distributed by e-mail or standard mail no later than April 2013 and in addition will also be available on our recently established website

<http://www.aegyptologie-altorientalistik.uni-mainz.de/795.php>.

On this website we also post announcement of other conferences in our field. We also ask you to notify us of any changes of address, be it e-mail or standard, and of names of any colleagues known to you who may be interested in attending, so that our mail can be sent out to them directly.

Our call for support for establishing a formal structure for interdisciplinary research in ancient medicine at Mainz university met with prompt support from a great number of colleagues on our mailing list, and we thank you sincerely for responding so quickly. The Interdisziplinäre Arbeitskreis Alte Medizin has now been approved by the administration and will help us to continue our work.

With our best regards,

Klaus-Dietrich (Cloudy) Fischer
Tanja Pommerening
