Dear Students and Colleagues,

We kindly invite you to the 7th SCIENCE DAY organized by the TRANSMED Graduate School of the Johannes Gutenberg University (JGU) Mainz.

The symposium will showcase interdisciplinary research in both basic and translational medicine conducted at the JGU.

The meeting serves as a platform for young scientists to get exposed to some of the thought leaders from academia, industry, and publishing world.

We are very much looking forward to meeting you at this exciting event!

Best regards,

Julia Weinmann-Menke
