10th TRANSMED Science Day 2024

Dear Fellows and Colleagues,

We kindly invite you to the **10th SCIENCE DAY** organized by the TRANSMED Graduate School of the Johannes Gutenberg University (JGU) Mainz.

The symposium will showcase interdisciplinary research in both basic and translational medicine conducted at the JGU.

The meeting serves as a platform for young scientists to get exposed to some of the thought leaders from academia, industry, and publishing world.

We are pleased to welcome as speakers Prof. Dr. Hans-Joachim Anders (Editor-in-Chief of *Nephrology Dialysis Transplantation* & Renal Division; Ludwig-Maximilians University, Munich), Prof. Dr. Horst Schmidt-Böcking (Institute of Nuclear Physics, Goethe University, Frankfurt am Main), and Prof. Dr. Andrea Tüttenberg (CEO/CMO and Co-Founder of ActiTrex GmbH & Department of Dermatology, University Medical Center Mainz).

We are very much looking forward to meeting you at this exciting event!

Best regards,

Julia Weinmann-Menke
