

IRTG / CRC 1292:

Retreat 2023

Ivonne Dietzel, Redouane Krini, Assel Nurbekova

IRTG Retreat 2023

- At the beginning of the CRC symposium, **10.7.2023, 10.00 a.m. – 04.00 p.m.**
- At “Hotel Zugbrücke” in Höhr-Grenzhausen (Westerwald, RLP)

Schedule:

10.00-10.15: Welcome and organizational issues

10.15-11.45: Career talks by Tobias Bopp, Björn Clausen and Fulvia Vascotto (TRON):
pros/cons of different career paths

12.00-13.00: Lunch

13.00-14.15: Working in small discussion groups together with senior scientists
(5 different topics)

14.15-15.30: Presenting the results of and by the groups

15.30-16.00: Coffee break

Topics for small discussion groups together with senior scientists

- **Career issues**, e.g. asking for/giving advice; Job opportunities outside of academia
- **Going abroad during the PhD / PostDoc**, e.g. pros/cons, how long it should be, how to initiate this/find a lab
- **Communication issues**, e.g. which communication issues exist in the lab and how to solve them? How to talk to supervisors/others, how to say no to supervisors/colleagues...
- **Soft skills in academia**, e.g. How to present yourself/your data, expectations of the PIs from the students and tips (e.g. how do the PIs manage their time and what do they expect from the students), ,
- **Clinical Drug Development Process**
